

# The World's 1<sup>st</sup> WARBURG MICRO SYNDROME Conference

28 - 30 April 2014  
Southold, Long Island, USA

John F Kennedy International Airport

The opportunity to meet the largest Group of WMS Families ever gathered together

Just 90 miles east of New York City lies the Venue for the World's 1<sup>st</sup> Warburg Micro Syndrome Conference.

In a stunning location: BayView - on Long Island's North Fork - will host the largest Group of WMS Families ever gathered together.

We are looking for Researchers and Clinicians to help us understand this rare condition and work together towards a better future for our children.

Genetic Disorders UK and the PPSY Charity are funding this Event:

Bringing together those affected by genetic disorders

Parents of Partially Sighted and Blind Youngsters  
Reg Charity 1104560 www.popsy.org.uk

If you are interested in **Presenting at** or **Participating in** this unique Event please get in touch as soon as possible.

It will be an informal Conference with the opportunity to meet WMS families from around the world.

The Conference Delegate Programme of Events and Registration details are overleaf. There is a heated Pool, Gym and 3 hole putting green for relaxing between Sessions and there is also WiFi, a Media Room and Powerpoint Presentation facilities.

BayView is nestled in Vineyard country near Shelter Island and the Hamptons. The Long Island Railroad takes you straight into Penn Station, Manhattan.
